

Chosen Family

**Tell me your story and I'll tell you mine.
I'm all ears, take your time, we've got all
night.**

**Show me the rivers crossed, the mountains
scaled,**

**Show me who made you walk all the way
here.**

**Ooh, settle down, put your bags down.
Ooh, you're alright now.**

***We don't need to be related to relate,
We don't need to share genes or a surname.
You are, you are, my chosen, chosen family.
So what if we don't look the same?
We've been going through the same thing,
yeah.
You are, you are, my chosen, chosen family.***

**Hand me a pen and I'll rewrite the pain.
When you're ready, we'll turn the page together.
Open your heart, it's time we celebrate
Who you were, who you are,
We're one and the same, yeah, yeah.**

***We don't need to be related to relate,
We don't need to share genes or a surname.
You are, you are, my chosen, chosen family.
So what if we don't look the same?
We've been going through the same thing, yeah.
You are, you are, my chosen, chosen family.***

*I chose you,
You chose me.
I chose, chosen family.
I chose you,
You chose me.
We're alright now.*

*We don't need to be related to relate,
We don't need to share genes or a surname.
You are, you are, my chosen, chosen family.
So what if we don't look the same?
We've been going through the same thing,
yeah.
You are, you are, my chosen, chosen family.*

***We don't need to be related to relate,
We don't need to share genes or a surname.
You are, you are, my chosen, chosen family.
So what if we don't look the same?
We've been going through the same thing, yeah.
You are, you are, my chosen, chosen family.***

***We don't need to be related to relate,
We don't need to share genes or a surname.
You are, you are, my chosen, chosen family.
So what if we don't look the same?
We've been going through the same thing, yeah.
You are, you are, my chosen, chosen family.***
