LO: To write an instructional text.

How to train your dragon.

Have you ever wondered how to train your dragon? ~~Read~~ Then read these instructions to find out!!!

You will need:

- A loud, clear voice.
- A muzzle
- A lot of fishes.
- A back scratching stick.
- three A cages.
- A small pen made
- A book.

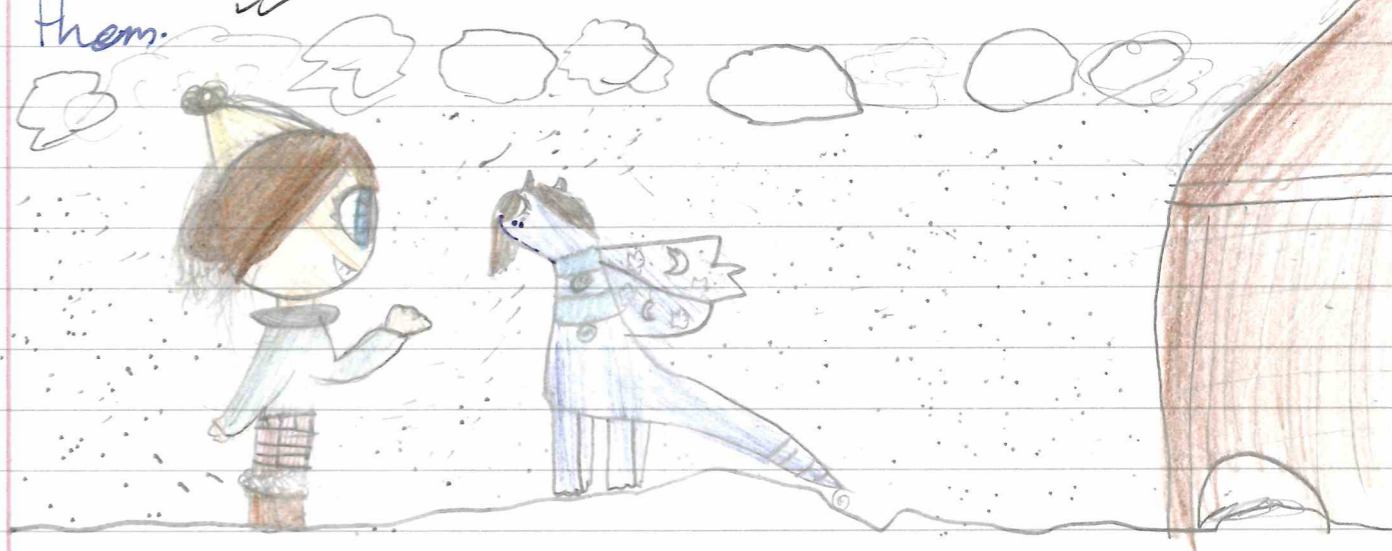

Method

- 1) First, carefully take your dragon outside.
- 2) Secondly, show him or her how to flap their wings.
- 3) Slowly and loudly say 'fly'.
- 4) If he or she flies give them a treat.
- 5) If they don't fly spray them with cold water.

6) Place them in a huge mettalic cage.

7) If they ^{try to} bite ^{you} put a muzzle on them.

Remember you need to train your dragon when it is young, because it's easier to train them, but when they are older it's harder to train them.

Ⓢ now, excellent instructions!
