

KNOWLEDGE ORGANISER

YEAR: Two
TERM: Pentecost
TOPIC: Our Wonderful World

COMPUTING

This half term the children will be using a Discovery Education programme to learn to write simple code.

What is Coding?

Coding (or programming) is the way we give instructions to a computer so it can carry out specific tasks. It's like writing a recipe that tells the computer exactly what to do, using a special computer language.

What's an algorithm?

Reading Oxford Owl

We are delighted that so many of you are now accessing the wealth of stories on Oxford Owl.

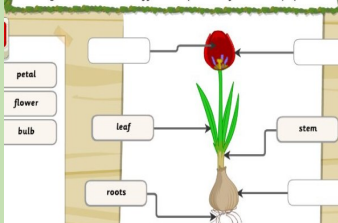

Remember!

Your username and password are in your diaries!
Log on if you haven't already and start stacking your favourite stories on your virtual reading shelf!

SCIENCE

Can you label the different parts of the tulip plant?

- ♦ Life cycles
- ♦ Healthy Eating
- ♦ Exercise & healthy diet
- ♦ Seeds & bulbs
- ♦ Germination

Sprouting up

ENGLISH

This term, children will become researchers as they explore some of the world's most famous animals. They will learn how to gather key information from a range of sources, organise their ideas, and present their findings by creating an engaging fact file.

Alongside this, children will study the well-loved story *The Gruffalo* by Julia Donaldson. They will explore the characters, setting, and structure of the story. Using this as inspiration, pupils will plan and write their own imaginative version of the story, creating new characters while following a similar storytelling pattern.

MATHS

ADDITION altogether plus sum add total combined	SUBTRACTION minus less difference take away
MULTIPLICATION groups of by times multiply lots of	DIVISION divide evenly each share groups break

This term we will cover:

- Measurement
- Fractions
- Time
- Statistics
- All four number operations

REMINDERS

- ♦ Gulliver's Land trip—Friday 26th June
 - ♦ Curriculum afternoon—Friday 10th July
- Remember to check Class Dojo for daily class updates.

KNOWLEDGE ORGANISER

Our School Trip

Gulliver's Land
26th June

Arrive to school on time
Coach back at 4pm
Children dismissed from usual
classroom door

Please bring

- ♦ Waterproof coat
- ♦ Sun hat
- ♦ Wear trainers & school uniform
- ♦ Sun cream if needed
- ♦ Small backpack

Bring packed lunch if you have not
opted for school packed lunch

YEAR: Two
TERM: Pentecost
TOPIC: Our Wonderful World

ART & DT

- ♦ Observational sketching of plants

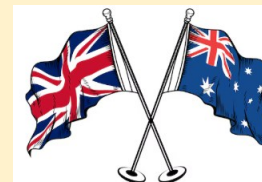

♦ Using line, pattern and shading to create their own individual flower. They will add this to a flower display inspired by Vincent van Gogh's, *Sunflowers*.

Our World

This unit introduces children to the wider world, helping them develop a clear understanding of global geography. Pupils will learn about the world's continents and seas, building their knowledge of where places are located.

They will explore hot and cold climates, identifying how weather and temperature vary across different regions of the world. Children will also be introduced to human and physical geography, learning to recognise natural features such as mountains and rivers, as well as human-made features like cities and transport. They will also compare and contrast the UK and Australia.

Europe

After half term, children will explore the continent of Europe by learning about a range of different countries, including their cultures, languages, and key landmarks.

Welcome to Europe!

Children will also have the opportunity to make and taste a variety of traditional European foods, helping them to experience different cultures in a practical and engaging way.

In DT pupils will create 3D structures inspired by famous European landmarks.

Homework Reminders

- * This term, children will receive both Maths and Comprehension homework in the same book. Homework will be sent home on Fridays and should be completed and returned by the following Wednesday.
- * Weekly spellings will also be sent home. Please support your child by practising these regularly and ensuring they are prepared for their spelling test.
- * Daily reading at home remains an important expectation.

P.E.

- ♦ Rounders
- ♦ Playground games
- ♦ Net and wall games

*Thank you for
supporting your
child's learning.*

Tuesday
7th of July
(Weather permitting)
