Dear Parents and Carers,

Thank you for attending the Spring Term Parent Consultation Meetings and for taking the time to complete our on-line annual survey. The questions were based on the Ofsted framework and your responses will be used to help inform our school self-evaluation. The additional comments reflecting why you chose to send your child to St Joseph's Catholic Primary School were very positive and well received, as well as your suggestions and views about other aspects of school life.

Why did you choose this school for your child (ren)?

Strong Catholic ethos and high academic expectations and strong Catholic beliefs and Strong discipline school

Very supportive of their students from reception to Year 6

I chose this schools as I went there and my child loves his teacher and done wonders with him

Good Standards, regulations and reputation

I chose this school because of the ethos and also supporting the needs of every individual pupil in and out of the classroom.

Very good teachers

School has a very good reputation and I am very happy with how my children have progressed at St Joseph's.

The school is committed to academic excellence and it is a faith school. The teach children how to be self-disciplined and have self-confidence. Teachers are kind, friendly and very supportive and caring.

The school has a very good morale standard. They also have a diverse community of both students and teachers

Any additional comments:

Year 6 has been intense but my child has done well their teacher is amazing.

School takes on board any reasonable parent suggestions and ideas.

My child has progressed with their learning and built good relationships. It is great to see my child's teacher aspirations for them and believing that they can achieve.

So happy that my child is in the school and has a team of caring, supportive teachers around her. Thank you so much.

Points to consider:

Could parents have more access to classroom resources to support their children at home?

Could more trips and days out be organised?
