Dear Parents and Carers,

INTERNET PAYMENTS SEPTEMBER 2024

I am writing to inform you that in school we operate 'Schools Cash Office', an Internet payment system to enable parents to pay for dinner money, trips, curriculum activities, fundraising events online.

Similar systems have been installed and are run successfully in many schools nationally, bringing a number of important benefits, for example:

- Simple to use web interface
- Payments are made through Nat West Bank so they are secure and reliable
- Parents can view their payment history online
- Reduce risk of pupils losing cash

Once your child has started school you will receive a letter detailing your user name and password (these can be changed when you first log-in to the system). Please take the time to access Schools Cash Office, via the school website, and have a look.

This method of payment has been very successful in school and we hope you take the opportunity to take advantage of Schools Cash Office as the need arises.

Yours sincerely,

M Murphy
